Accommodation and food service:

We, as the organizer, have spent a lot of effort to have all competitors of F3F 2014 World Championship to be accommodated at one place and be sure that accommodation will be available for all of them at the ZORNICKA PENSION / <http://www.zornicka.sk/>.

This hotel is located only 60 m away from cable train station, which is allowing us easy organization in terms of transportation to the flying site or briefings.

According our agreement with Zornicka hotel management, we have managed to get reasonable pricing for accommodation and food service. There are 10 double bed rooms, 17 three bed rooms, 6 four bed rooms and 3 apartments for 4 persons.

Pricing is 21.- EUR for one person with bed and breakfast. Breakfast is buffet style. During flying days, there is available to order a take away food package, which can be ordered one day before by each competitor for 3.- EUR / package. For dinner there we offer a combination of soup + main meal with dessert for 6.- EUR. Main meal can be chosen from 5 options. This is also for all competitors to order one day before. If none of options is matching the taste, there is still possibility to get menu food with reasonable prices.

We hope that all competitors will appreciate/accept this solution together with our effort and will organize their accommodation/food at the Zornicka hotel. There is a very good reference/satisfaction and tradition in cooperation with this hotel for many years.

Organizer will coordinate the line-up of rooms, in order to achieve comfort and enjoyment of each competitor.

The room line-up will be regularly published by bulletins on www.f3x.sk and updated.

We kindly ask all competitors and team members/managers to send application forms for accommodation in time, prior the deadline, by post or via e-mail to: majo.slovakia@gmail.com
